(ed note: This article was written in 1979 and is admittedly a little dated. But most of it is still true.) The Third Industrial Revolution is going to create two areas of concern and interest to military planners in the next thirty to fifty years. One of these is new technology that will create new problems of defense and military operations.

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:

Please pardon the dust as the Traditium, the personal blog site of Traditius, is renovated and updated. The Traditian Order was formed and expanded its responsibilities faster than its membership was able to support, leaving a lot done by a few and many people who just want to be members of an organization with many who think like they do. The Traditian Order will continue to be the latter ...
