K-8 Quick Reference Guides - North Carolina Public Schools

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.

Language education - Wikipedia

The study of language, linguistics, has been developing into a science since the first grammatical descriptions of particular languages in India more than 2000 years ago, after the development of the Brahmi script.Modern linguistics is a science that concerns itself with all aspects of language, examining it from all of the theoretical viewpoints described above.

Introduction by Graham Davies. A "concordance", according to the Collins Cobuild English Language Dictionary (1987), is "An alphabetical list of the words in a book or a set of books which also says where each word can be found and often how it is used." I first came across the term "concordance" from one of the lecturers who taught me at university during the early 1960s.

English Module 2.4: Concordance programs

Research guides are created and maintained by Concordia University subject librarians. On each guide you will find recommended resources by subject: databases, background sources, how-to guides, websites, and more.
