

more stately mansions the pdf

A mansion is a large dwelling house. The word itself derives through Old French from the Latin word mansio "dwelling", an abstract noun derived from the verb manere "to dwell". The English word manse originally defined a property large enough for the parish priest to maintain himself, but a mansion is no longer self-sustaining in this way (compare a Roman or medieval villa).

Museums. In addition to the many art galleries and studios, Golden Triangle is home to Denver Art Museum, renowned not just for its extensive collections, but for its bold architectural design. Or visit the Clyfford Still Museum, a collection of abstract expressionist art that was previously sealed from public view for more than 30 years. Housed in the original Firehouse Station No. 1 since 1909 ...
