Invaluable in and out of the classroom. Designed to develop deep mathematical understanding and all the skills students need for their AS/A level studies and beyond.

### **Integral for AS/A level Maths and Further Maths**

New Mathematics or New Math was a brief, dramatic change in the way mathematics was taught in American grade schools, and to a lesser extent in European countries, during the 1960s. The change involved new curriculum topics and teaching practices introduced in the U.S. shortly after the Sputnik crisis, in order to boost science education and mathematical skill in the population, so that the ...
