

new priorities in financing pdf

Microfinance initially had a limited definition - the provision of microloans to poor entrepreneurs and small businesses lacking access to bank and related services. The two main mechanisms for the delivery of financial services to such clients were: (1) relationship-based banking for individual entrepreneurs and small businesses; and (2) group-based models, where several entrepreneurs come ...

As states prepare their budgets for the coming year, they face the challenge of reinvesting in public higher education systems after years of damaging cuts – the product of both the economic downturn and states' reluctance to raise additional revenues. In the past five years, state cuts to higher education funding have been severe and almost universal.

Recent Deep State Higher Education Cuts May Harm Students

Across the developing world and in the Pacific region in particular, there has long been criticism of the over-reliance on donors (indeed this topic has been highlighted recently on devpolicy with regard to NGOs). Pacific Island countries (PICs) have been some of the largest recipients of official development assistance over the past decades.

What constitutes donor dependence? Health financing in the

The way a country finances its health care system is a key determinant of the health of its citizenry. Selection of an adequate and efficient method(s) of financing in addition to organizational delivery structure for health services is essential if a country is set to achieve its national health objective of providing health for all.
