of the Official Manual of the Church Of God In Christ. Several decades have passed since the publication of our first Manual which was last amended in 1952. The tremendous expansion of the Church throughout the world, with its accelerated growth and many resulting changes, necessitated a more complete and comprehensive manual.

The web "manual" is there, but it's not searchable, and it doesn't cover everything in detail. Frankly, it's about half-way to a video. To be useful, a proper pdf manual should be released with each Muse update, and new features could be explained in addendums. Past addendums should be collated into the main manual on next release.

## **Where can I download an official Manual in PDF? | Adobe**

For more than 100 years, Missouri has published the Official Manual of the State of Missouri, commonly known as the "Blue Book." Here, you can find detailed information on local, state and federal governments, as well as stories, essays and pictures that help preserve the state's heritage.
