An obscene phone call, as the term is commonly used, is an unsolicited telephone call where a person derives sexual pleasure by using sexual or foul language to someone, who may be known to them or who may be a complete stranger. (There are many varieties of consensual sexual phone calls.) Making obscene telephone calls for sexual pleasure is known as telephone scatologia and is considered a ...

The Indian Health Service (IHS), an agency within the Department of Health and Human Services, is responsible for providing federal health services to American Indians and Alaska Natives. The provision of health services to members of federally-recognized Tribes grew out of the special government-to-government relationship between the federal government and Indian Tribes.

In music, a call and response is a succession of two distinct phrases usually written in different parts of the music, where the second phrase is heard as a direct commentary on or in response to the first. It corresponds to the call-and-response pattern in human communication and is found as a basic element of musical form, such as verse-chorus form, in many traditions.
