Reflections The Future of the Commons David Harvey I have lost count of the number of times I have seen Garrett Hardin's classic article, "The Tragedy of the Commons," cited as an irrefutable argument for the superior efficiency of private property rights with respect to land and resource uses and,

### **The Future of the Commons**

A majority-minority or minority-majority area is a term used in the United States to refer to a jurisdiction in which one or more racial and/or ethnic minorities (relative to the whole country's population) make up a majority of the local population. The term is often used in voting rights law to designate voting districts which are altered under the Voting Rights Act to enable ethnic or ...

A city's local government is headed by a mayor elected by popular vote. The vice mayor serves as the presiding officer of the Sangguniang Panlungsod (city council), which serves as the city's legislative body. Upon receiving their charters, cities also receive a full complement of executive departments to better serve their constituents.

America's urban landscape is changing, but in ways not always predicted or much admired by our media, planners, and pundits. The real trend-setters of the future "judged by both population and job growth" are not in the oft-praised great "legacy" cities like New York, Chicago, or San Francisco, but a crop of newer, more sprawling urban regions primarily located in the Sun Belt and ...
